Chorus

I'm asking I'm praying for a miracle this night

The battle's raging it's the final staging

In the war for the souls of this world

(Satan has done a very good job of leading us to believe that there's nothing to believe in)

Verse 1

There's a struggle between good and evil

Evil has a hold on this world

Through distractions temptations omissions and lies

The great deception

(Right now Satan is trying to be on offense)

Verse 2

The world grows darker and sacrilegious

Thoroughly erasing God

Poisoning our schools politics our media our pulpits

(We will never comment on anything that happens outside of the walls of our church)

Chorus

I'm asking I'm praying for a miracle a miracle

The battle's raging it's the final staging

In the war for the souls of this world

(Victory in the spiritual domain is our because of Jesus)

Verse 3

What will it profit to gain the world

And forfeit your soul

Without the armor of God we are powerless

Against the enemy

(Jesus called Satan the prince of this world)

Chorus

I'm asking I'm praying for a miracle a miracle

The battle's raging it's the final staging

In the war for the souls of this world

Break

Reach them O Lord free them

The souls of this world spare them

O Lord save them

(What's happening in our country is a spiritual battle not a material battle)

Chorus

I'm asking I'm praying for a miracle a miracle

The battle's raging it's the final staging

In the war for the souls of this world

Chorus

I'm asking I'm praying

That all will seek You before it's too late

The battle's raging it's the final staging

In the war for the souls of this world

(You gotta go get more people to give their lives to Christ)

Reach them O Lord

(You gotta go fight for souls)

Free them the souls of this world

Spare them

(God is good and God is perfect)

O Lord save them

(There is a battle right now. There is a spiritual battle of light versus dark and good versus evil and if we allow Jesus to fight that battle for us, victory is ours)
