

Not My Will

©2002 words & music by Robert Paul Brandolino

Verse

In this uncertain hour, I come before you Lord
My spirit is willing to obey but, my flesh is weak
Oh my Father, if there be any way, remove this trial from me
Nevertheless, not my will Thine be done

Chorus

I can do all things through Christ who strengthens me Christ who delivers me
In my hour of need It's Christ who strengthens me
Christ who delivers me Christ who heals me

Verse

My soul is sorrowful even unto death
Oh my father If it is possible let this cup pass from me
Nevertheless, not my will Thine be done

Chorus

I can do all things through Christ who strengthens me Christ who delivers me
In my hour of need It's Christ who strengthens me
Christ who delivers me Christ who heals me

Oh my father If it is possible let this cup pass from me
Nevertheless, not my will Thine be done *(3 times)*
